SUBMISSION OF CORRECTED DRAWINGS

A Notice of Allowance has already been issued for this application and the Issue Fee has already been paid. However, on 05/25/2006 a Notice Regarding Drawings was mailed to the undersigned with an attached notice from the official draftsman that the drawings must be replaced because the drawings on file had poor line quality and were marred with copy machine marks.

Submitted herewith are five replacement sheets containing figures 1-7. These drawings are identical to the drawings currently on file except that they have been reprinted so that no copy machine quality problems are present in the replacement sheets.

Respectfully submitted,

Lonnie R. Drayer
